The background of the advertisement is a high-quality rendering of a modern interior space. On the left, a dining area is visible with a dark wooden table and contemporary chairs. In the center, a large circular inset provides a view of the 'MUFASA' building, a multi-story apartment complex with a modern architectural style, featuring balconies and large windows. The building is surrounded by lush greenery and palm trees. On the right side of the image, a portion of a bedroom is visible, showing a bed with white linens and a laptop resting on it. The overall lighting is warm and sophisticated, creating an inviting atmosphere.
